system minting is a safeguard, system will burn off all coins that exceed the tokonomic release.
customer can opt for system to mint there coin on there behalf.
staker class 1 mints daily themselves
stakers class 2 system will mint on there behalf
staker class 3 is rewarded with alternative coin for staking nucoin

stakeing requirement
class 1 3000-3999 coins for reward structure refer to reward treasury
class 2 4000-4999 coins for reward structure refer to reward treasury
class 3 5000-5999 for reward structure refer to reward treasury
gold class staker 100,000 for reward structure refer to reward treasury
platinum staker 1,000,000.00 for reward structure refer to reward treasury
executive accounts the system will stake on behalf. for reward structure refer to reward treasury
